

EMERGENCY FAMILY PLAN

Discuss the likely hazards/dangers that can affect your family and your home. Ask yourself…is your home really safe? When NEMO declares Phase 1 (Preliminary – One Red Flag) put your **Family Plan** into action. Immediately listen to your **Radio and Television**, especially on **Holidays, Fridays, Saturdays, and Sundays.**

BEFORE THE STORM
Preliminary – One Red Flag

Actions	Who must do it	When
Inform family members what is happening, where to go, when to come home etc.		
Purchase non-perishable foods and water (1 gallon per person per day for at least 3 – 5 days)		
Put together your **Family Emergency Kit:** Blankets, rain clothing, extra clothes, games to play and books to read. Include in your medical bag/first aid kit: Bandages, hydrogen peroxide, water purification tablets, toilet paper, pampers, Clorox, plastic bags, sanitary napkins, baby wipes, anti-itch cream, personal medicine etc.		
Secure important documents – Passport, house/property papers, insurance documents, school certificates in sealed plastic bags. Take pictures of important and valuable items.		
Get your lanterns, radio, and flashlight with extra batteries – **DO NOT USE CANDLES** if possible.		
Fuel up vehicle early.		
Put away or pack valuable household items including furniture.		
Remove loose objects around the yard, the car, lawnmower, fuel containers, zinc, lumber etc.		
Trim the trees and throw away the pieces.		
Secure windows and doors (put up shutters).		
Move or secure pets with food and water.		
Plug out electrical items – Iron, refrigerator, micro-wave, TV, Stereo etc.		
Turn off all main water valves and electrical main switch box		

AFTER THE STORM
All Clear – One Green Flag

Return home if it is safer than where you are. Listen to NEMO – **DO NOT** MOVE AROUND IF YOUR AREA WAS AFFECTED. Be very careful when approaching your home!! Check the safety of your home (structure and toilet system). Be aware of pests and snakes. **DO NOT** turn on main water valves or electrical main switch box until BWSL and BEL give the go ahead. Boil or purify water before drinking.
