ADVISORY # 11

CAYO AND BELIZE DISTRICTS UNDER SEVERE FLOOD

MONDAY, 09 NOVEMBER, 2020, 10:30 AM

The National Meteorological Services of Belize and NEMO hereby inform the general public that even though the water is going down in the west, Cayo continues to deal with severe flood conditions. The receding water is rising higher in the Belize River Valley and on the highways affecting communities in its path.

Scotland Halfmoon, Rancho Dolores and Lemonal, Flowers Bank, Isabella, Crooked Tree, Lords Bank, Ladyville, Vista Del Mar, Miles 1, 4, 8 and 12 communities on the George Price Highway including Hattieville, Freetown Sibun and Gracie Rock, take note the flood waters are rising and are expected to continue rise. Eight shelters remain open mostly in the Cayo and Belize rural areas of Rancho Dolores, Lemonal and Crooked Tree

All major highways are open. Spanish Lookout is still cut off via the Iguana Creek Bridge, Valley of Peace and Baking Pot Ferry. The Low Lying Bridge in Cayo remains closed. The Bullet Tree Bridge is open but the Santa Familia road is closed to traffic. The entrance to Benque and Succotz on the George Price highway is accessible. Calla Creek is accessible from the George Price Highway. The Coastal Road remains closed.

All are advised if you live along rivers and streams relocate to higher grounds. **DO NOT STAY IN YOUR HOME** tonight if you know it is likely to flood during the course of the night. **MOVE TO SAFETY, SAVE YOUR FAMILY, LIFE COMES FIRST!** If you can shelter in your home place food and valuable items out of the reach of floodwaters. Farmers are continuously reminded to secure their livestock. **DON'T WAIT UNTIL THE LAST MINUTE.** If your home is likely to flood turn off the main power supply. Beware of the movement of wild animals and snakes in your area.

DO NOT: remain in areas where latrines are overflowing due to the floodwaters, **DO NOT PLAY** or drive in floodwaters and cross flooded creeks and rivers. **SIX INCHES OF FLOOD WATERS CAN SWEEP YOU OFF YOUR FEET. DO NOT DRIVE THROUGH FLOOD WATERS, IT CAN BE VERY DANGEROUS.** Motorists are asked to drive with extreme caution when driving the highways and secondary roads. Drivers are reminded to put on their hazard light when driving through rain.

PEOPLE IN BELIZE RURAL CENTRAL, THE BELIZE RIVER VALLEY AND THOSE LIVING ALONG THE BELIZE RIVER AND HAULOVER CREEK IN THE CITY TAKE ACTION AND MOVE TO HIGHER GROUNDS. DO NOT STAY IN YOUR HOME AND GET TRAPPED, MOVE TO A SAFE BUILDING!

Search and Rescue, assessments and relief operations continues in the west and eastern regions of the country.

..Ends...

Toledo, Mr. Kenton Parham at 614 2158 or Mr. Dennis Williams at 614 2393

COVID 19 SHELTER PROTOCOLS:

1. All persons in high-risk coastal areas are reminded IF the need arises for you to evacuate and you are (1) not COVID positive, (2) not in quarantine, (3) not awaiting a test result or (4) being contact traced, and (5) not showing symptoms, move early!
2. You must wear a mask. Know which shelter you will go to, take along your essential necessities required for you to survive. The elderly and persons with underlying health conditions must not occupy the same space with normal persons. Note, people showing symptoms will be contained in a separate section of the shelter building.
3. Hand washing /sanitizing must be done before entering a shelter. Shelter Wardens will allocate shelter space. Social distance must be adhered to and shelters must be sanitized on a regular basis. Garbage must be properly disposed of. Proper cleaning and disinfection must be done on a regular basis. Shelter Managers must monitor and correct hygiene and cough /sneeze etiquette. The Ministry of Health (MoH) will conduct daily monitoring of shelters to detect people who are sick and showing signs of COVID19. The Shelter Management Team (Public Officers/ Volunteers) MUST use PPE.

PREPAREDNESS TIPS BEFORE A CYCLONE ARRIVAL:

- (1) Avoid being near the coast if your home is not safe if you live on the cayes and along the coast be familiar with the evacuation routes. Know which shelter you will need to go to. Make early preparations.
- (2) Protect windows with plywood or shutters,
- (3) Review your family emergency plan, consider all COVID 19 measures,
- (4) If you can afford to purchase non-perishable foods and water. Store additional water.
- (5) Keep an extra supply of medication. If a member of your household is bed-ridden, seek medical advice. Notify authorities ahead of time if you have persons in your neighbourhood require special assistance to evacuate due to a medical condition.
- (6) Secure your important documents and identification. Save the emergency contact numbers for NEMO, the police, fire, and medical facility in your cell phone. Keep your phone charged.
- (7) Pets are not allowed in shelters, make plans for your pets, continue to trim trees, clear drains, and secure outdoor items. Farmers make plans to move your animals to higher ground and stockpile feed when required.
