

DAM BREAK - FLASH FLOOD EARLY WARNING NOTICE!!!

The **Siren** will blast for **3 Minutes** with **3 minutes** pause **7 times** then stop.

This will be repeated until NEMO issues the 'All Clear'

AS SOON AS YOU HEAR THE SIRENS or HEARD that a Flashflood has occurred in the Macal River due to the DAM, call 936, tell your neighbour and,

Move away from the River and go immediately to the designated Safe Areas in Town and your village!

Become familiar with your Escape Route!

MOVE to higher ground or to the upstairs of the nearest solid concrete (cement) building OR climb to the highest point!

If where you are is Safe, stay there!

When a Flood Warning is issued;

DO NOT drive as you could get trapped in the low ground when the flood waters arrive.

Sirens are located in San Ignacio, Cristo Rey, Bullet Tree, Santa Familia, Black Rock, Chaa Creek and Calla Creek
