NEMO
Preserving life and property

Hurricane

1 Prepare

↳ Have an emergency kit and family plan ready. Know your hurricane evacuation routes and shelter locations.

2 Protect

↳ Move to safe shelter. Listen to your local radio and or television station for official reports from NEMO and the National Met Service.

3 Assist

↳ Help your neighbors and community. Avoid disaster areas.

Red
May threaten
within 72hrs

Red 1
May threaten
within 36hrs

Red II
Likely to strike
within 24hrs

Green
Hurricane has passed

Work with your family to develop a plan in the event of a hurricane.
Refer to the checklist to ensure you have necessary resources.
